The Vice President of India, Shri M. Hamid Ansari has congratulated the Indian Space Research Organization (ISRO) on the successful launch of PSLV-C37 rocket that placed 104 satellites in to their orbits. The flawless launch underlined the efforts to make the use and exploration of space more accessible and affordable, he added.

Following is the text of Vice President's message:

"I offer my congratulations to the Scientists, Engineers and Technicians of the Indian Space Research Organization (ISRO) for the successful launch of the PSLV-C37 rocket that placed 104 satellites including Cartosat 2 Series from India and 7 other countries in their designated orbits. This has been a history scripting effort of launching 104 satellites in a single launch.

The flawless launch has once again demonstrated India's capabilities in the space sector and underlined our efforts to make the use and exploration of space more accessible and affordable.

I wish ISRO all the very best for the future."
