Defence agreements with Russia

Posted On: 18 JUL 2017 3:14PM by PIB Delhi

Details of defence agreements signed with Russia over the past five years is as under:

- Agreement for training of Indian armed forces personnel in the military educational establishments of the Defence Ministry of the Russian Federation. (Date of signing 11.12.2014).

- Agreement between the Ministry of Defence of the Republic of India and the Ministry of Defence of the Russian Federation on cooperation in Aircraft flight safety. (Date of signing 21.01.2015).

- Agreement between the Government of the Republic of India and the Government of the Russian Federation on cooperation in the field of Helicopter Engineering. (Date of signing 24.12.2015).

- Agreement between the Government of the Russian Federation and the Government of the Republic of India on supply of S-400 Triumph Air Defence Missile systems to the Republic of India. (Date of signing 15.10.2016).

- Agreement between the Government of the Russian Federation and the Government of the Republic of India for construction of follow-on-ships of project 11356 in Russia and in India (Date of signing 15.10.2016).

The Government makes all efforts to encourage greater manufacturing of defence equipment in India through the 'Make in India' framework, including through transfer of technology arrangements. Several licensed production agreements have been implemented with Russian companies in India, such as for Sukhoi-30 aircraft, T-90 tanks, BMP-2 armoured personnel carriers etc. Divulging the texts of such Agreements will not be in the interest of national security.

This information was given by Minister of State for Defence Dr. Subhash Bhamre in a written reply to Shri Shantaram Naik in Rajya Sabha today.
