

# Focus on Athlete-Centric, Coach led and System-Driven approach for Promotion and Development of Sports: Vijay Goel

Posted On: 01 JUN 2017 4:43PM by PIB Mumbai

Minister of State (I/C) for Youth Affairs and Sports Shri Vijay Goel has said that during the last 3 years, NDA Government at the centre has focused on Athlete-centric, coach led and system-driven approach for promotion and development of sports. Addressing media persons here today he said the Department of Sports is playing an active role to create the infrastructure and promote capacity building for broadbasing sports for achieve excellence in various international and national competitive events.

Shri Vijay Goel listed following as achievements of Department of Sports in last 3 years..

## A. Programmes/Policies/Projects:

- **Preparation of Athletes:** TOPS is a major initiative and it is a comprehensive mechanism for tailor made training of athletes; Also it is athlete centric and meant to fill up gaps;
- **Olympic Preparation:** Out of pocket stipend of Rs. 1,00,000 per month was sanctioned to athletes while in India and \$100 per day during Olympics for their critical needs;
- **Personal Coach:** If there is a need, top athletes were allowed to have a personal coach in addition to existing coach. Liberal assistance was given to athletes to procure personal equipment;
- **Target Olympic Podium:** Equally important component will now include junior athlete development, sports science support as well;
- **Annual Calendar for Training & Competitions (ACTC):** This time we have enhanced substantially the number of camps and competitions for a number of sports disciplines which will benefit a large number of athletes;
- **Coach Led System:** For coach development, Federations have been asked to bring in capacity enhancement to existing coaches. For example, Boxing coaches have been recently trained by bringing internationally accredited master coaches;
- **NIS:** Diploma in sports coaching has been integrated with international modules and best practices followed by respective international bodies of various sports disciplines. Master trainers are being invited to upgrade coach development program. Foreign faculty is being engaged at NIS, Patiala and LNIPE, Gwalior. SAI coaches performance is being reviewed. SAI coaches will be imparted induction training as well as phase wise training during service as part of in-service capacity development program. Structured course modules have been framed and promotions will be linked with their trainings;

Regular coaches will be 50 percent and rest will be on contract based as a flexi-mode and need based on gap analysis. Physical proficiency test has been devised for coaches so that they continue to perform at their highest level. Sending coaches abroad for capacity enhancement is being implemented for strength and conditioning of coaches. 25 coaches have already undergone two weeks training at Birmingham. Sports scientist and coaches were also sent earlier;

100 masseurs and physiotherapists are being provided for elite athletes for development and recovery. In selection of teams, coaches will have a major say now for fair and transparent selection;

- **System Driven:** Quality of National Coaching camps i.e., pre-camp, during camp and post-camp checklists have been devised and federations have been involved. Government Observers have been appointed to bring collaboration between all stakeholders and improve performance in sports. Camp discipline need to be applied to everyone. Camps continue for about 300 days in some of the important disciplines;

*Boxing observer has given reports on equipment, physical fitness, training requirement, training gaps.*

*Shooting observer has given reports that personal coaches need to be integrated with existing mechanism.*

- **Medical Checkup:** Athletes will be checked for injury before every major international event;

- **National Sports Academies:** 13 Academies have been set up so far;

- **National Sports Development Code:** A committee has been constituted and the recommendations made are under examination.

- **Integration of Sports and Physical Education with School Education:** A joint committee of Department of Sports with MHRD was set up to prescribe curriculum for Class I to X;

- **National Physical Fitness Programme:** To measure fitness level of school going children NPFP has been launched;

- **Sports Talent Search Portal:** Budding sports talent/parents/teachers can login and upload achievements for consideration of MYAS to make talent hunt process fair and transparent;

- **Long Term Athlete Development:** 100 players will be identified and will be provided with Rs. 5 lakh per year for 8 years under Khelo India Scheme;

- **Khelo India National Level School Games:** To attract best sporting talent at school level and support them in collaboration with SGFI; Khelo India National School Games will be organized by involving 10000 students;

- **Khelo India National Level University Games:** To attract best sporting talent at university level and support them in collaboration with AIU; National University Games will be organized in a big way;

- **National Playing Field Association of India:** To preserve playfields and Geotag them by creating an online database for broadbasing sports so that every Indian has play space;
