Proposal has been recommended in principle by the Empowered Committee of the Nirbhaya Fund under Ministry of Women and Child Development subject to the condition that it would be considered in consultation with the Department of School Education, MHRD, if self defence training can be incorporated in the curriculum of girl's school for classes between 4th to 9th. The scheme envisages extending funding support to States/UTs for launching programmes on self-defence training to women which includes basic and advanced training of persons from Government Schools, Colleges, Girls Students staying in hostels, hostels recognized by Social Welfare Department, women belonging to BPL, slum dwellers, students of Orphanage etc.

'Police' and 'Public Order' being State subjects, action with respect to maintenance of law and order lies primarily in the domain of the State Governments.
