CWC signes MoUS with NIT Calicut and NIT Rourkela to support capacity building in Dam Safety Areas

Posted On: 30 AUG 2017 1:34PM by PIB Delhi

Central Water Commission (CWC) has signed MoUs with NIT Calicut and NIT Rourkela to support dam rehabilitation efforts of various implementing agencies and CWC.

Ministry of Water Resources, River Development and Ganga Rejuvenation has taken on board selected premier academic and research institutes, for capacity building in the areas of dam safety through World Bank assisted Dam Rehabilitation and Improvement Project (DRIP). The scope includes strengthening the testing laboratories, enhancing analytical capabilities, exposure visits to best global institutions and on ground exposure to dam safety concerns to the faculty of these institutions. CWC had signed MoUs with IIT Madras and IISc Bengaluru in January 2017 and Ministry is supporting these institutes for the procurement of specified equipment and software for enhancing their testing and modeling capabilities.

DRIP is assisting rehabilitation of 225 dams in seven States which are experiencing different levels of distress. Owners of these dams require technical support for the investigation of dam conditions and supporting rehabilitation efforts. The Government of India has decided to enhance the capability of selected premier academic institutes in dam safety areas so that they, in turn, carry out field investigations and material testing, and provide training and consulting services to the dam owners in their dam rehabilitation efforts.
