Policing on Railways being a State subject, prevention of crime, registration of cases, their investigation and maintenance of law and order in Railway premises as well as on running trains are the statutory responsibility of the State Governments, which they discharge through Government Railway Police (GRP)/District Police. However, Railway Protection Force (RPF) supplements the efforts of GRP in providing better protection and security of passenger area and passengers and for matters connected therewith.

Besides, the following steps are also being taken by the Railways to improve security in trains:

1. On vulnerable and identified routes/sections, 2500 trains (on an average) are escorted by Railway Protection Force daily, in addition to 2200 trains escorted by Government Railway Police of different States daily.
2. Security Help Line number 182 is made operational over Indian Railways for security related assistance to passengers in distress.
3. Indian Railways have installed CCTV cameras on a limited number of coaches of passenger and suburban trains on a pilot basis.
4. Surprise checks are conducted in trains to ensure security of passengers and alertness of trains escorting staff.
5. Sniffers dog squads are being utilized for anti-sabotage checks in trains.
6. The ladies special trains running in metropolitan cities are being escorted by lady RPF personnel. Staff deployment is made in ladies compartments of sub-urban trains during late night and early morning to ensure proper security to lady passengers.
7. Drives by Commercial Department and RPF are conducted from time to time against the entry of unauthorised persons in trains.
8. Close liaison is made by RPF with the State Police/GRP authorities at all levels for prevention of crime, registration of cases, their investigation and maintenance of law and order in Railway premises as well as on running trains.
