A group of students from Arunachal Pradesh on an excursion tour sponsored by ITBP, called on the Union Minister of State for Home Affairs, Shri Kiren Rijiju, here today. Shri Rijiju inspired the students to reach new heights in their career by following the ideals of hard work and discipline. He exhorted the students to excel in their education and to be 'role models' in their life. He emphasised on instilling qualities with a sense of responsibility and accountability towards society and nation as a whole. He said, a learning mind can help prosper the growth and development of country.

The Minister said that learning and knowledge with mastery in specialization can be drivers for their success in future. Shri Rijiju emphasised on learning the cultural heritage of country with an attitude to societal transformational change for betterment of the country.

The students of classes 9th to 12th from Government Secondary Senior School and presently studying demonstrated their eagerness to learn and to be Champions of change for societal and nation building.
