

Prime Minister's Office

Mr. Akio Toyoda, President Toyota, and Mr. O. Suzuki, Chairman Suzuki, call on PM

Posted On: 09 MAR 2017 5:49PM by PIB Delhi

Mr. Akio Toyoda, President Toyota, and Mr. O. Suzuki, Chairman Suzuki, called on the Prime Minister Narendra Modi today.

The Toyota-Suzuki business partnership, and future technological developments came up for discussion. The partnership is expected to bring together Toyota's global leadership in technology and manufacturing, with Suzuki's strength in manufacture of small cars, especially in India. It is expected to enable India to use new technological developments. Further, high volumes will enable local manufacture of components required for these technologies.

Hence, the partnership will promote Make in India, and contribute to employment generation. It also opens up scope for export of new technology cars from India.
