Shri Ananthkumar congratulates ISRO on successful launch of PSLV-C37 and CARTOSAT satellite along with 103 other satellites in one go

Posted On: 15 FEB 2017 11:21AM by PIB Delhi

Union Minister of Chemicals & Fertilizers and Parliamentary Affairs, Shri Ananthkumar has congratulated ISRO on successful launch of PSLV-C37 carrying CARTOSAT satellite together with 103 other satellites.

Today, ISRO has created history by launching a record 104 satellites and placing at right orbit precisely in one go. It showcases the low cost innovation capability of ISRO. It also demonstrates the capabilities of ISRO in handling complex space missions professionally and providing world class satellite launching services to various countries and agencies. The untiring efforts of entire team of ISRO is the guiding force for this great feat. I salute the ISRO team for keeping Indian Flag high in world and wish them great success for all projects in future, said Shri Ananthkumar.
