Philately is the hobby of collection and study of Postage stamps. It also entails the collection, appreciation and research activities on stamps and other related philatelic products. The hobby of collecting Stamps includes seeking, locating, acquiring, organizing, cataloguing, displaying, storing, and maintaining the stamps or related products on thematic areas. Philately is called the king of hobbies because Stamp collection as a hobby has lot of educational benefits - it teaches a lot about the socio economic political reality of the period in which the stamp is issued or the theme on which it is issued.
