Union Minister of Human Resource Development Shri Prakash Javadekar today launched the unique portal and mobile app of Rashtriya Uchchatar Shiksha Abhiyan (RUSA), a body under the aegis of the Ministry of Human Resource Development here in New Delhi.

Speaking on the occasion Shri Javadekar said "Our Government's first priority is to improve the quality of primary as well as higher education. Unless we improve the quality of education we will not be able to create capable people and good citizen and therefore improvement of quality is the thrust for all our efforts in the educational fields. Today this is a unique event as well as experiment wherein we have inaugurated 17 facilities created under Rashtriya Uchchatar Shiksha Abhiyan (RUSA) in one go in 14 states". He said that Centre and State Government will be deliberating and discussing upon the modalities for bringing improvement further. Under the concept of RUSA the quality of education can go up by improving the research labs infrastructure and creating smart class rooms and various other programmes by which the quality enhancement and value addition to the students happen, Shri Javadekar added. The Minister said 'RUSA is a success and during the last three years Modi Government has increased the expenditure to the tune of Rs. 2800 crore for this. He said we have created infrastructure in many universities, colleges and model colleges. We have also provided Rs. 1300 crore in this year's budget. Since this is happening for the first time, we are very hopeful and excited and I am sure this scheme will be a great success towards enhancement of higher education' he added.

The portal is a one-stop for States' Higher Education Plans, decision of the States' Higher Education Councils and details of the resources under this scheme. Also, the gallery is a rich repository of the projects initiated under RUSA.

Shri Javadekar also released the Booklet "Digital Launch of Projects; Rashtriya Uchchatar Shiksha Abhiyan (RUSA)" on this occasion.
