

Department of Atomic Energy

Tie Up for Nuclear Energy

Posted On: 08 FEB 2017 5:03PM by PIB Delhi

The French Government in January 2016 had communicated that French public utility *Electricite de France* (EDF) was designated to take control of AREVA NP and would be the single entry point for Indian side on all matters related to nuclear power projects to be setup at Jaitapur, Maharashtra.

Nuclear Power Corporation of India Limited (NPCIL) has entered into an MoU with EDF for implementation of six Evolutionary Pressurised Reactor (EPR) units at Jaitapur, Maharashtra together with associated fuel, fuel services and other services.

This information was provided by the Union Minister of State (Independent Charge) Development of North-Eastern Region (DoNER), MoS PMO, Personnel, Public Grievances & Pensions, Atomic Energy and Space, Dr Jitendra Singh in written reply to a question in Lok Sabha today.
