Training of Port Professionals with Modern Technical Skills

Posted On: 20 MAR 2017 5:57PM by PIB Delhi

For imparting training and skills to port and terminal professionals, a center has been set up at Jawaharlal Nehru Port Trust, Navi Mumbai in collaboration with APEC (Antwerp/Flanders Port Training Centre), Belgium.

After signing of MoU between JNPT and APEC (Antwerp/Flanders Port Training Centre), Belgium, the Centre has been established and it has already organized eight training modules.

The expenditure on training of professionals is borne by the concerned organizations, and so far 155 professionals have benefitted.

This information was given by the Minister of State for Shipping Shri Mansukh L. Madaviya in written reply to a question in Rajya Sabha today.
