## Cabinet approves Amending the Collection of Statistics Act, 2008 (7 of 2009)

The Union Cabinet chaired by the Prime Minister Shri Narendra Modi has approved a proposal to introduce a Bill in Parliament to extend the jurisdiction of the Collection of Statistics Act, 2008 to Jammu & Kashmir on statistics relevant to any matters under any of the entries specified in the List-I (Union List) and the List- III (Concurrent List) in the Seventh Schedule to the Constitution, as applicable to Jammu & Kashmir under the Constitution (Application to Jammu & Kashmir) Order, 1954. The Amendment will strengthen data collection mechanism in the State of Jammu & Kashmir.

The Amendment will:

- (a) Provide for extending the jurisdiction of the Act to Jammu & Kashmir State in respect of matters not reserved for the State as per the Constitution (Application to Jammu and Kashmir) Order 1954;
- (b) Provide for appointing a nodal officer at the Centre and in each State/Union Territory to effectively coordinate data collection activities and provide consultation to Government Departments for avoiding unnecessary duplication, etc.

### Background

The Collection of Statistics Act, 2008 was enacted to facilitate the collection of statistics on economics, demographic, social, scientific and environmental aspects etc. The Act extends to the whole of India, except Jammu & Kashmir. The Jammu & Kashmir State legislature enacted the Jammu & Kashmir Collection of Statistics Act, 2010, which extends to the whole of the State of Jammu & Kashmir and is almost a replica of the central legislation. The Collection of Statistics Act, 2008 and the Jammu & Kashmir Collection of Statistics Act, 2010 are not applicable to statistical subjects falling in the Union List, as applicable to the Jammu & Kashmir under the Constitution (Application to Jammu & Kashmir) Order 1954. This has created a legislative vacuum. Moreover, the concurrent jurisdiction to be exercised by the Centre in Jammu & Kashmir has also not been provided for, in the Collection of Statistics Act, 2008. The amendment is intended to address this vacuum.
