Posted On: 28 NOV 2017 2:22PM by PIB Delhi

Youth aspiring to serve the nation and desirous of joining 'Indian Navy' can now walk into any Common Services Centre (CSC) across the country and avail assistance in filling up online application forms (for joining the Indian Navy). This service by CSCs will be at a very nominal fee of Rs 60 (plus GST). Usage of this facility would significantly ease the application process however, it is entirely optional.

A MoU to this effect was exchanged in the presence of Shri Alphons Kannanthanam, Union Minister of Electronics and Information Technology, between Vice Admiral AK Chawla, Chief of Personnel, Indian Navy, and Dr Dinesh Tyagi, CEO CSC e-Governance Services India Ltd, at a function in New Delhi on 27 Nov 17.

Building upon an existing agreement, the new MoU provides an excellent opportunity to applicants to benefit from the vast network of more than 2.5 lakh CSCs. Applicants will be assisted in correctly filling up application forms, scanning and uploading relevant documents and making payment for examination fees, as applicable. Applicants in rural and remote areas, with challenges of reliable internet connectivity, will benefit immensely. The Indian Navy would advertise through CSCs as well as utilise their services for e-KYC during recruitment across the nation. The Indian Navy views the CSCs as 'virtual touchpoints' for extending the recruitment outreach and seeks to strengthen their cooperation with CSC e-Governance Services India Ltd in providing services to citizens in pursuance of Digital India movement.
