Inter-Planetary Mission

Posted On: 08 FEB 2017 4:54PM by PIB Delhi

After Chandrayaan-1 and India's first interplanetary mission 'Mars Orbiter Mission', the feasibility of future inter-planetary missions to Mars and Venus are under discussion and presently a study team is exploring various options and opportunities for such missions. Based on the recommendations of the study team, a plan for realising future interplanetary missions will be considered.

This information was provided by the Union Minister of State (Independent Charge) Development of North-Eastern Region (DoNER), MoS PMO, Personnel, Public Grievances & Pensions, Atomic Energy and Space, Dr Jitendra Singh in written reply to a question in Lok Sabha today.
