

## 'Urge Media to Write Extensively on Innovations in Science and Technology: Dr. Harsh Vardhan

Posted On: 23 JUN 2017 6:51PM by PIB Delhi

Union Minister for Science and Technology, Earth Sciences and Environment, Forest & Climate Change, Dr. Harsh Vardhan has urged mediapersons to write extensively and regularly on innovations in the field of science and technology. Inaugurating a workshop on "Role of Media in Dissemination of Scientific and Technological Advancements", organised by Ministry of Science and Technology here today, the Minister strongly urged the youngsters in the field of mass media to come forward and participate actively in popularising the innovative work being done in science and technology.
