The Central Adoption Resource Authority (CARA) of the Ministry of Women & Child Development has started a monthly “Jan Sampark” program to enable the public to have interaction with its officials and staff for seeking information related to Adoption as well as flagging their concerns.

The first of its kind programme was held in New Delhi yesterday. Nearly 150 Prospective Adoptive Parents (PAPs), Adoptive Parents and representatives of agencies participated in the session, which lasted for more than four hours.

Details pertaining to Immediate Placement and Special Needs Adoption Module of Child Adoption Resource Information & Guidance System (CARINGS) as well as the newly launched Grievance/Query portal were shared with all the stakeholders. Also many of the PAPs were counselled and motivated to go for adopting older children.

The event will now be a regular feature every month apart from the quarterly Facebook live chat by CEO CARA.
