National Creche Scheme will continue to be implemented in 23,555 creches. Approval for National Nutrition Mission shall be obtained separately.

States/districts covered:

Anganwadi Services (ICDS) and Child Protection Services are already in operation in the entire country. National Nutrition Mission will be rolled out in a phased manner. Similarly, Scheme for Adolescent Girls will be expanded in a phased manner.

Background:

The ongoing schemes have been rationalized by the Government in financial year 2016-17 and have been brought under Umbrella ICDS as its sub-schemes. These sub-schemes need to be continued for delivering the child related services to the intended beneficiaries. The aims of these schemes are as under:

- a. **Anganwadi Services** (ICDS) aims at holistic development of children under the age of six years and its beneficiaries are children of this age group and Pregnant Women & Lactating Mothers.
- b. The objective of the **Scheme for Adolescent Girls** is to facilitate, educate and empower Adolescent Girls so as to enable them to become self-reliant and aware citizens through improved nutrition and health status, promoting awareness about health, hygiene, nutrition, mainstreaming out of school AGs into formal/non formal education and providing information/guidance about existing public services.
- c. The objectives of **Child Protection Services** are to provide safe and secure environment for children in conflict with law and children in need of care and protection, reduce vulnerabilities through a wide range of social protection measures, prevent actions that lead to abuse, neglect, exploitation, abandonment and separation of children from families etc., bring focus on non-institutional care, develop a platform for partnership between Government & Civil Society and establish convergence of child related social protection services.
- d. **National Creche Scheme** aims at providing a safe place for mothers to leave their children while they are at work, and thus, is a measure for empowering women as it enables them to take up employment. At the same time, it is also an intervention towards protection and development of children in the age group of 6 months to 6 years.
