

# Delegation from Young FICCI Ladies Organisation calls on PM

Posted On: 03 AUG 2017 8:05PM by PIB Delhi

A 25 member delegation from the Young FICCI Ladies Organisation called on Prime Minister Narendra Modi today.

The delegation interacted with the Prime Minister on subjects such as women entrepreneurship, and women empowerment.

The Prime Minister responded at length to various questions raised by the delegation members.

He said Swachh Bharat Mission offers great opportunities for "waste to wealth" entrepreneurship, with significant benefits to community health.

Responding to a question on water conservation, the Prime Minister said all of us should individually focus on judicious use of water; and micro and drip irrigation.

The Prime Minister said family values, acceptance of diversity and environmental consciousness are three of India's greatest traditions which we must nurture.

Subjects such as education, skill development, art and culture and women's safety also came up for discussion.
