All India Institute of Medical Sciences (AIIMS), New Delhi here today signed MoUs with NBCC (India) Limited, HSCC (India) Limited and with HITES HLL Life Care Ltd to expand infrastructure and other facilities. The signing ceremony was presided over by Shri J P Nadda, Hon'ble Union Minister of Health and Family Welfare and Shri Venkaiah Naidu, Hon'ble Union Minister for Urban Development, Urban Poverty Alleviation, and Information & Broadcasting. AIIMS signed an MOU worth ₹ 4441 crores with NBCC (India) Limited, ₹ 2500 crores with HSCC (India) Limited and ₹ 729 crores with HITES HLL Life Care Ltd, a cumulative net worth of ₹ 7670.

Speaking on the occasion, Shri J P Nadda said that this is one of the most historic days for AIIMS as this is the largest ever health sector investment commitments made by Government in a public health project at one event. "The past two years have witnessed a historic growth in the form of infrastructure & other facilities," Shri Nadda said. The Health Minister assured that the Government is committed to ensuring that the new AIIMS will meet the same standards of service as AIIMS, New Delhi. No effort will be spared to make them the very best, he added. Shri Nadda stated that AIIMS has created a benchmark in the field of healthcare not only at the national level but internationally also. It has a great testimony and we must try to replicate it in the new AIIMS, he added. He noted that the new Institutes will be "AIIMS" and not "AIIMS-like". "Innovation for cost effective and affordable healthcare is the need of the day. To take up all these challenge AIIMS needs strengthening and expansion of its facilities. Which we are committed to provide," Shri Nadda said.

Speaking at the ceremony, Shri Venkaiah Naidu said that that in line with the vision of the Prime Minister, we should reform, perform and transform and this initiative reflects that. Shri Naidu further stated that this initiative is going to change the face of AIIMS. "The profession of doctors is a very noble task and AIIMS has contributed significantly in providing quality healthcare. The expansion plans of the Government would not only improve medical education but will also provide greater access to world class facilities to the citizens," Shri Naidu added. He further said that we should have such premier institute in every state of the country and India is well on its way to becoming a medical hub in the world.

The agreement with NBCC for redevelopment envisages construction of 3060 residential apartments at Ayur Vigyan Nagar campus and 868 apartments at West Ansari Nagar Campus by construction of 3060.
