# Green Building Performance Monitoring Platform - 'Arc' Adopted by IGIA

Posted On: 09 FEB 2017 6:19PM by PIB Delhi

The Indira Gandhi International Airport (IGIA), Delhi has adopted first-of-its-kind Green Building Performance Monitoring Platform - 'Arc' developed by the US Green Building Council (USGBC) for Terminal 3, Delhi Airport. The adoption of "Arc" is in line with the continued focus on Environment Sustainability and is aligned to make Delhi a Smart airport. Arc facility is already operational.

This information was given by the Minister of State for Civil Aviation Shri Jayant Sinha in written reply to a question in Lok Sabha today.
