Posted On: 06 APR 2017 6:40PM by PIB Delhi

The Minister of State for Home Affairs, Shri Hansraj Gangaram Ahir reviewed the working of Crime and Criminal Tracking Network & Systems (CCTNS), here today.

During the presentation, it was highlighted that CCTNS software has been successfully deployed at 96.32% Police Stations (PSs) i.e. 13,122 PSs out of 13,623 PSs, excluding 1,757 PSs of Bihar and Rajasthan. The presentation also stressed upon that 94.2% PSs i.e. 12,830 PSs out of 13,623 PSs excluding 1,757 PSs of States of Bihar and Rajasthan, are entering 100% FIRs through CCTNS software.

Pointing out that only FIR data related to more than 7 crore cases has been uploaded on the CCTNS since its inception in 2009, Shri Hansraj Gangaram Ahir directed that all remaining FIRs must be uploaded before the formal launch of the CCTNS, later this year.

The Minister advised the officials to include trend analysis of crimes and other analytics for better monitoring by Centre and States.
