

Prime Minister's Office

Three Groups of Secretaries present ideas on governance, science & technology, and energy & environment to PM

Posted On: 04 JAN 2017 4:28PM by PIB Chennai

Three Groups of Secretaries to the Government of India, today presented ideas for transformative change in different areas of governance, to the Prime Minister, Shri Narendra Modi.

Subjects such as citizen centric service delivery, digital inclusion, innovation, and simplification of laws, figured in the presentation on "Governance."

The presentation on "Science and Technology," focused on areas such as improved opportunity and access for learning; jobs and start-ups; and "ease of doing science."

The presentation on "Energy and Environment" included suggestions related to various energy sources, and energy efficiency.

Union Ministers, and officials from the NITI Aayog were also present on the occasion.

A total of four presentations on various governance related themes have now been made in the current series, out of the total of nine scheduled to be made.
