Speaking on the occasion, Shri Suresh Prabhakar Prabhu said, " This is an important event as it falls on the last day of financial year. Indian Railways has set tough targets for the year 2016-17. The meaning of target was changed from completion of project to commissioning of project. In 2016-17, Railways had set 2800 Km target for gauge conversion, doubling, tripling, Indian Railways successfully accomplished 2855 Km in 2016-17. Railway Electrification target for the year 2016-17 was 1730, the accomplished target is 2000 Kms. The projects which are getting commissioned today were started long ago but today they are getting commissioned. Our Government is committed to fulfil the promises. Under the leadership of Shri Narendra Modi, Railways' Development is given priority. With the development of Railways, development of nation is ensured. Indian Railways is taking many steps like tree plantation, restoration of water bodies. Complete development of Nation is to be ensure.
