Total	3090270

Source-PMSMA Reports

At present under PMSMA, ante-natal care (ANC) services are provided by OBGY specialists/ Radiologist/ Physicians including private sector volunteers only at government health facilities. There is no proposal to implement it in private health facilities.

To continuously monitor the quality of services given during PMSMA, States/UTs have been asked to designate teams/officials for field monitoring through standardized monitoring check list. Similarly National level teams including representatives of Development Partners have also been sent to States/ UTs for monitoring of PMSMA.

PMSMA Guideline and PMSMA operational framework Guideline have been shared with the all State/UTs. These are available at <http://nrhm.gov.in/nrhm-components/rmnch-a/maternal-health/guidelines.html>

The Minister of State (Health and Family Welfare), Sh Faggan Singh Kulaste stated this in a written reply in the Lok Sabha here today.
