Dr. Mahendra Nath Pandey, MoS HRD visited Tezpur University

Posted On: 06 JUN 2017 8:54PM by PIB Delhi

The Minister of State for Human Resource Development Dr. Mahendra Nath Pandey today visited Tezpur University and interacted with faculty and students. He also visited the major faculties of the University and took stock of academic and other activities carried out by the students, research scholars and faculty members of the University.

The Minister expressed satisfaction over the holistic approach of the University in the development of students, particularly, in inculcating a sense of responsibility in them towards the society at large. He also appreciated the University's exemplary initiatives in keeping the campus green and clean. The Minister particularly mentioned the national and international recognitions such as the "Best University" Award 2016 of the Visitor (President of India) and the 34th Rank in the Times Higher Education World Young University Ranking 2017. The minister especially hoped that the University would be one of the top counted universities of the world in the near future. The outreach programmes of the University would go a long way as examples of "meaningful contributions of educational institutions towards the development of the country", the Minister said. The officials of the University brought to the notice of the Minister of the acute shortage of fund received by the University to which the Minister assured that he would take up the matter to UGC for consideration.
