Performance of MSME Sector

Posted On: 17 JUL 2017 11:16AM by PIB Delhi

The Micro, Small and Medium Enterprises (MSMEs) play a pivotal role in the overall industrial development of the country. The MSMEs are widely dispersed across all sectors of the economy starting from agro based cottage industries to high tech precision engineering segment. Furthermore, the share of MSME manufacturing (Gross Value of output) in total manufacturing output is to the tune of 33.29% (in 2015-16) and MSME contribution in the country's GDP is to the tune of 30.74% (in 2014-15). MSMEs also contribute 45% of the total exports from the country.

Yes.

The Government had set up a One Man Committee to give recommendations on the overall policy of the MSME Sector. The committee has since submitted its Report which has a separate chapter on marketing issues.

The Government is committed to empower the MSME Sector. Towards this end various Schemes and programmes are being implemented which include Prime Minister's Employment Generation programme (PMEGP), Credit Guarantee Fund Scheme, Credit Linked Capital Subsidy Scheme (CLCSS), National Manufacturing Competitiveness programme (NMCP), Marketing Assistance Scheme and MSE-Cluster Development programme etc. These schemes and programmes aim at augmenting the credit delivery, infrastructure, marketing and technology for MSMEs.

This Press Release is based on information given by the Minister of State for MSME Shri Haribhai Parathibhai Chaudhary in a written reply to a question in Lok Sabha on 17.07.2017 (Monday).
